STATE OF NEVADA]
COUNTY OF HUMBOLDT] SS

I, J. R. Caldwell, being first duly sworn, depose and say that this map, consisting of 3 sheets, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), between the 10th day of May and the 13th day of June, 1977, that truly and correctly represents the ~~proposed~~ location and extent of the works used to divert water from Buffalo Creek, Pine Creek, Falls Creek, Horse Creek, Dog Creek & McConnell Creek in Humboldt County, by Eleanore A. Wiedmann for Irrigation

That the proposed point of diversion, the location and size of the diverting channel, reservoirs and basins, location and description of all measuring devices, and the boundary of all lands showing by 40-acre subdivisions the areas cultivated and the culture (from Proof 02220) and the location and names of all other works or streams which are owned by or connected with said works are fully and correctly designated thereon.

J. R. CALDWELL
State Water Right Surveyor No. 278

Subscribed and sworn to before me this 16th day of June 1977
