I, John H. Milton III, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn from field notes of a survey made by me September, 1983, that it truly and correctly represents the location and extent of the works used to divert water from Box Spring and Unnamed Springs in Nye County by Monitor Ranching Corporation for Stockwatering purposes, that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas used for stockwatering, are fully and correctly shown on this map.

Subscribed and sworn to before me this 12th day of September 1984
