SURVEYOR'S STATEMENT

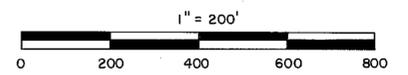

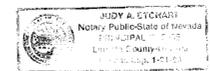

I, Frank C. Hulse, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under his direct supervision the 10th day of April, 1986. That it truly and correctly represents the proposed location and extent of the works used to divert water from The Acoma Spring for irrigation purposes. That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of lands irrigated, are correctly shown and designated hereon in Lincoln County by Gerald H. and Misha B. Holt under Serial No. 04575.
