I, CHARLES C. ARMUTH, JR., being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction of the 11th day of December, 1926, and from aerial photographs supplied by the Soil Conservation Service; that it truly and correctly represents the proposed location and extent of the works used to divert water from Harrison Creek and Lime Kiln Creek; in Elko County, by Dawley Creek Ranch, for irrigation purposes. That all other works or streams which are crossed by or connected with said works, and the boundary, area and kind of culture of lands irrigated, are correctly shown and designated hereon.
