I, William A Nisbet, being first duly sworn, depose and say that this map, consisting of FIVE sheets, has been correctly drawn to the designated scale from a field survey made under my supervision and direction, completed on the 28th day of August, 1991 and from information shown on pertinent quadrangle maps published by the U.S. Geological Survey; that it truly and correctly represents the proposed location and extent of the works used to divert water from SURFACE SOURCES in ELKO COUNTY by WESTERN STATES MINERAL CORPORATION for STOCKWATERING. That the proposed points of diversion, the approximate location and names of all other works or streams which are crossed by, or connected with the said works are fully and correctly designated thereon.
