STATE OF NEVADA
COUNTY OF HUMBOLDT

I, JOHN H. MILTON III, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision between the 4th day of Oct., and the 10th day of Oct., 1991; that it truly and correctly represents the proposed location and extent of the works used to divert water from Rattlesnake Cr. and Spring in Humboldt Co., by Julian W. and Edith M. Marcuerquiaga 1980 Living Trust for stockwatering purposes. That the point of diversion, the location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works on streams which are crossed by or connected with the said works, are fully and correctly designated thereon.

Subscribed and sworn to before me this 17th day of September, 1992.
