I, Chris C. Mahannah, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on October 24-27, 1994; that it truly and correctly represents the proposed location and extent of the works used to divert water from Unnamed Springs, Unnamed, Jack, Dave, Jenny and Three Day Creeks in Elko County, by Brackett, Noy E. III & Paula A. for stockwater purposes. That the point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the same, are fully and correctly designated thereon.

Chris C. Mahannah  
 State Water Right Surveyor #976

Subscribed and sworn to before me this 14th day of DECEMBER, 1994.  
 Notary public in and for WASHOE County, Nevada.
