COUNTY OF WASHOE } SS

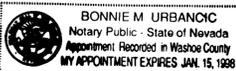

I, Clare N. Mahannah, being first duly sworn, depose and say that this map, consisting of two sheets, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction, on September 8-10, 1993; that it truly and correctly represents the proposed location and extent of the works used to divert water from Unnamed Springs, East Fork Jarbidge River, Dave Creek, Robinson Creek, Jim Bob Creek, Spring Creek, Pole Creek, and Unnamed Creeks in Elko County, by C.E. Brackett Cattle Company for stockwater purposes. That the point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the works are fully and correctly designated thereon.

Clare N. Mahannah, P.E.
