) S.S.
County of WHITE PINE)

I, Richard E. Fonger, being first duly sworn depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me on September 21, 1999. This map truly and correctly represents the proposed location and extent of works used to divert water from East Side Spring, in White Pine County, Nevada by United States Department of Interior, Bureau of Land Management for watering of Wildlife and Wild Horses purposes.

Richard E. Fonger
