

# THE STATE OF NEVADA.

## PROOF OF THE APPROPRIATION OF WATER.

State your name H. W. Schacht

1. Q. Postoffice.

A. Yerington, Lyon Co. Nevada

2. Q. State the use to which the water has been applied.

A. Irrigation and domestic use

3. Q. State the means of diversion employed.

A. By lateral ditches

4. Q. If through a ditch state its name.

A. Baker Snyder Ditch

5. Q. (a) State date of survey of the ditch or other distributing works through which the water claimed is diverted. (b) The date when the construction of such ditch was begun and when completed.

A. (a) Taken out in 1888

(b) Began and completed the same year (1888)

6. Q. If any enlargements were made state the date when begun and the date when completed.

A. No enlargements

7. Q. State dimensions of the ditch as originally constructed, and as enlarged.

A. Headgate; 6 ft wide, and 6 ft high

8. Q. State the name of person, association of persons or corporation who built the ditch or canal, and the name or names of its present owners.

A. Built by John Snyder and Henry Baker

9. Q. State the nature of your title to the land for which an appropriation is claimed, and if not owned by you give the name of the owner and the nature of the possessory right which you exercise.

A. By deed

10. Q. State the year when water was first used for irrigation or other beneficial purposes, and by whom. If for irrigation, give the number of acres watered the first year, with the legal subdivisions on which the water was used, and as near as may be the acres irrigated in each legal subdivision.

A. 6 acres were irrigated in the year 1869, by James Andrews, in the N part, of N.E. 1/4, S.E. 1/4 sec 26, T. 13 N. R. 25 E. This was irrigated out of the Fox ditch

11. Q. State the number of acres watered each subsequent year, and give the legal subdivisions on which the water was used, and as near as may be the acres irrigated in each legal subdivision.

A. 34 acres were brought under in 1874, in the S.E.  $\frac{1}{4}$ , S.E.  $\frac{1}{4}$  of said sec. 26  
20 acres of an increase in the year of 1876, in the N.E.  $\frac{1}{4}$ , S.E.  $\frac{1}{4}$  of said sec. 26  
About 10 acres more was added in 1878, in S part N.E.  $\frac{1}{4}$ , S.E.  $\frac{1}{4}$  of said sec. 26  
Since 1874, the whole of the E.  $\frac{1}{2}$ , S.E.  $\frac{1}{4}$  of said sec. 26, has all been under cultivation and has been irrigated continuously ever since.

12. Q. If water is claimed for irrigation, give the legal subdivisions of land owned or controlled by you for which an appropriation is claimed.

A. None

13. Q. State the acreage said ditch is capable of watering, give the legal subdivisions of land which it can be made to irrigate, and state who owns said land.

A. ✓

14. Q. State the character of the soil and the kind of crops cultivated.

A. Sandy loam, black doley, and white doley; alfalfa, and grain

15. Q. Are you an owner in said ditch? If so state your proportionate interest therein.

A. Yes;  $\frac{1}{4}$  interest

✓ 16. Q. The plat prepared by the State Engineer is hereby accepted as showing correctly the location of the Baker Snyder Ditch and the land which can be irrigated therefrom.

A. About correct

17. Q. When does your irrigation season begin and when does it end?

A. Begins about 1<sup>st</sup> April, ends about 30<sup>th</sup> September
