L. A. L. Green

, Notary Public.

Remarks:

The Water used on this Property all comes from Bodie and Rough Creeks. The ditches taken out in 1860-1861-1862- take all the water that runs in Bodie and Rough Creeks. The water taken out in ditches built subsequent to above dates is water that seeps back into the original channels ~~and~~ from previously irrigated ground, and is retained by dams.
