

THE STATE OF NEVADA.

PROOF OF THE APPROPRIATION OF WATER.

State your name Lamira Glann

1. Q. Postoffice.

A. Argington

2. Q. State the use to which the water has been applied.

A. Irrigation of land and watering stock

3. Q. State the means of diversion employed.

A. A ditch

4. Q. If through a ditch state its name.

A.

5. Q. (a) State date of survey of the ditch or other distributing works through which the water claimed is diverted. (b) The date when the construction of such ditch was begun and when completed.

A. (a) Completed in 1887

(b)

6. Q. If any enlargements were made state the date when begun and the date when completed.

A. 1887

7. Q. State dimensions of the ditch as originally constructed, and as enlarged.

A. Wider in some places than others.

Probably 4 feet in somewhere near the average width.

8. Q. State the name of person, association of persons or corporation who built the ditch or canal, and the name or names of its present owners.

A. Jesse F. Glann.

Present owner, Lamira Glann.

9. Q. State the nature of your title to the land for which an appropriation is claimed, and if not owned by you give the name of the owner and the nature of the possessory right which you exercise.

A. Patent from State of Nevada

10. Q. State the year when water was first used for irrigation or other beneficial purposes, and by whom. If for irrigation, give the number of acres watered the first year, with the legal subdivisions on which the water was used, and as near as may be the acres irrigated in each legal subdivision.

A. In 1867. Do not know the number of acres nor the length of the ditch at that time. Neither can I tell the legal subdivision of land. Have been told that the person who used the water on the land was named Fellows.

11. Q. State the number of acres watered each subsequent year, and give the legal subdivisions on which the water was used, and as near as may be the acres irrigated in each legal subdivision.

A. 1887 9 acres

South East quarter of North East quarter of Section 7
Township 10 North, Range Twentyseven East.

A few acres each year afterwards until the 40 acres was finished. Then commenced using water on the South West quarter of the North West quarter of Section 8 Township 10 North, Range 27 East. A few acres each year, but over 50 acres in both quarters, under irrigation in 1899. The same number are still being irrigated. On East side of river in Section 8 about 14 acres are irrigated from the Gignoux ditch.

12. Q. If water is claimed for irrigation, give the legal subdivisions of land owned or controlled by you for which an appropriation is claimed.

A.

13. Q. State the acreage said ditch is capable of watering, give the legal subdivisions of land which it can be made to irrigate, and state who owns said land.

A.

14. Q. State the character of the soil and the kind of crops cultivated.

A. The soil averages with all other soil along East Walker. Crops raised are grain and vegetables, also alfalfa grass.

15. Q. Are you an owner in said ditch? If so state your proportionate interest therein.

A. Yes. The sole owner.

16. Q. The plat prepared by the State Engineer is hereby accepted as showing correctly the location of the Ditch and the land which can be irrigated therefrom.

A.

17. Q. When does your irrigation season begin and when does it end?

A. Sometime in the Spring, and ends about the 1st of October.
