

THE STATE OF NEVADA
Amended
PROOF OF APPROPRIATION OF WATER FOR
STOCK WATERING PURPOSES

*From The wells. Name of natural water source.

Through _____ Name of ditch, pipe line, etc.

Edward Wolfe, the undersigned, being first
duly sworn, deposes and says that the statements herein contained relative to the appropriation of
water by Nevada & California Land & Live Stock Co. are full and correct to the best
of his knowledge and belief.

Deponent makes this proof on behalf of claimant and by virtue
If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant
of his office of Secretary thereof.

(1) Name of claimant Nevada & California Land and Live Stock Company.
Address Reno, County of Washoe
State of Nevada

(2) The means of diversion employed is _____
Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in _____
Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun _____
and completed _____

(5) The nature of the claimant's title to the land upon which the works are located is _____
Possessory

(6) The claimant's water right was (was not) recorded in the office of the County Recorder of
_____ County, at page _____ of Book _____ of _____

(7) The approximate number of animals watered by the claimant during the first year was 15
and said watering was conducted for an approximate period of 30 days during each
of the following months - December, January, February
and March

(8) The approximate number of animals watered by claimant in subsequent years was as follows: _____
15 horses and mules daily during the
said months from the year 1907 to 1914
both inclusive

(9) The amount of water which it has been necessary to divert for the said purpose has been.....
cubic feet per second.

40 miners inches equals 1 cubic foot per second

(10) The water is diverted from its source at said wells situated about 1100 feet south
True bearing to nearest 5 minutes distance
easterly from the N.W. corner of Section 29, T. 25 N., R. 25
E., Mount Diablo Base and Meridian.

NOTE—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at N.W. 1/4 of NW 1/4 of said Section 29
Describe as within a 40 acre subdivision of public survey or by a tie in same manner as under (10)

Remarks: This amended proof of application is made and filed for the purpose of correcting and more accurately describing the position of said well, the original proof of application filed December 8, 1910, incorrectly described the position of said well, because of the fact that said township was unsurveyed, and the location of said well was not then accurately ascertained.

The right to the use of the water of said well is claimed for domestic and stock watering purposes, and the entire water of said well has been used for such purposes since prior to January 1, 1905, by claimant and its predecessors in interest.

The accompanying plat shows the approximate location of said well.

For a more complete statement of the development work done at said well, reference is hereby made to the proof of appropriation filed by claimant with the State Engineer Dec. 8, 1910, # 0817

Edward Hoefler
