

THE STATE OF NEVADA.

PROOF OF THE APPROPRIATION OF WATER.

State your name John K. Smith

1. Q. Postoffice.

A.

2. Q. State the use to which the water has been applied.

A.

3. Q. State the means of diversion employed.

A.

4. Q. If through a ditch state its name.

A.

5. Q. (a) State date of survey of the ditch or other distributing works through which the water claimed is diverted. (b) The date when the construction of such ditch was begun and when completed.

B (a) May 10, '08. not completed
a not surveyed

6. Q. If any enlargements were made state the date when begun and the date when completed.

A.

7. Q. State dimensions of the ditch as originally constructed, and as enlarged.

A.

8. Q. State the name of person, association of persons or corporation who built the ditch or canal, and the name or names of its present owners.

A.

9. Q. State the nature of your title to the land for which an appropriation is claimed, and if not owned by you give the name of the owner and the nature of the possessory right which you exercise.

A.

10. Q. State the year when water was first used for irrigation or other beneficial purposes, and by whom. If for irrigation, give the number of acres watered the first year, with the legal subdivisions on which the water was used, and as near as may be the acres irrigated in each legal subdivision.

A. About 7 acres were irrigated by W.D. Roberts & John Woodward, in 1894, all rights abandoned in 1897, & has not been used since until I appropriated same, in May 1905 Feb. 28, 1908

11. Q. State the number of acres watered each subsequent year, and give the legal subdivisions on which the water was used, and as near as may be the acres irrigated in each legal subdivision.

A. Unsurveyed land, hence cannot give subdivisions,
Q. 10 Acreage question

12. Q. If water is claimed for irrigation, give the legal subdivisions of land owned or controlled by you for which an appropriation is claimed.

A. Unsurveyed land

13. Q. State the acreage said ditch is capable of watering, give the legal subdivisions of land which it can be made to irrigate, and state who owns said land.

A. About 80 acres after springs are fully developed. Govt. land

14. Q. State the character of the soil and the kind of crops cultivated.

A. Sandy loam, alfalfa, oats, fruit trees & all kinds of vegetables

15. Q. Are you an owner in said ditch? If so state your proportionate interest therein.

A. Claim entire ownership

16. Q. The plat prepared by the State Engineer is hereby accepted as showing correctly the location of the _____ Ditch and the land which can be irrigated therefrom.

A. No plat prepared

17. Q. When does your irrigation season begin and when does it end?

A. Begins May 1st ends Dec. 1st

18. Q. If water is used for other purposes than irrigation, state the nature of such use, the time when such use began, and how much water is required for such purpose.

Used the entire year for domestic purposes

19. Q. During what months is the water used?

A. Entire Year

20. Q. Have you had sufficient water each year since the use for which an appropriation is claimed began? If not, state the years of scarcity, the months when the supply was insufficient, and the reason of such scarcity.

A. Very scarce during 1908 owing to lack of snow fall
