

THE STATE OF NEVADA

PROOF OF APPROPRIATION OF WATER FOR STOCK WATERING PURPOSES

From South Cherry Spring Name of natural water source.
 Through troughs Name of ditch, pipe line, etc.
H. N. McGill, the undersigned, being first
 duly sworn, deposes and says that the statements herein contained relative to the appropriation of
 water by Adams-McGill Co are full and correct to the best
 of his knowledge and belief.

Vice-Pres^d & Manager
 If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) Name of claimant Adams-McGill Co.
 Address Ely, County of White Pine
 State of Nevada

(2) The means of diversion employed is troughs Dam and ditch, pipe line, flume, etc.
 (3) The water is impounded in troughs Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun prior to 1905-
 and completed prior to 1905-

(5) The nature of the claimant's title to the land upon which the works are located is possessory
Obtained by purchase from John Meloy, of
original locator, and by continuous use.

(6) The claimant's water right was (was not) recorded in the office of the County Recorder of
 _____ County, at page _____ of Book _____ of _____

(7) The approximate number of animals watered by the claimant during the first year was 25 cattle
 and said watering was conducted for an approximate period of every year days during each
 of the following months since original appropriation

(8) The approximate number of animals watered by claimant in subsequent years was as follows:
25 to 250 head of cattle and several
thousand sheep each and every
year since original appropriation

(9) The amount of water which it has been necessary to divert for the said purpose has been.....

$\frac{1}{2}$ miner's inch

40 miners inches equals 1 cubic foot per second

~~cubic foot per second~~

(10) The water is diverted from its source at $N. 36^{\circ} 05' W.$ 32840 feet
from the $N. E$ corner of Section $T. 3 N.$, R. $64 E.$

True bearing to nearest 5 minutes distance

E., Mount Diablo Base and Meridian.

Note—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at Spring
Describe as within a 40 acre subdivision of public survey or by a tie in same manner as under (10)

Remarks: This spring is situated in Lincoln Co Nevada, and is upon unsurveyed land. It was purchased from John Meloy, the original appropriator. It is used for watering live stock and has been used for that purpose by the said Meloy and Adams Mc Gill Co. each and every year since. See map now at office State Engineer.
