

THE STATE OF NEVADA  
PROOF OF APPROPRIATION OF WATER FOR  
STOCK WATERING PURPOSES

From NORTH SPRINGS (two springs)  
Name of natural water course

Through North Springs pipe lines.  
Name of ditch, pipe line, etc.

J. C. TOGNONI, the undersigned, being first  
duly sworn, deposes and says that the statements herein contained relative to the appropriation of  
water by him are full and correct to the  
best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) Name of claimant J. C. TOGNONI

Address Duckwater, County of Nye

State of Nevada

(2) The means of diversion employed is Pipe lines  
Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in small reservoirs and two wooden troughs  
Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun 1889  
and completed the same year.

(5) The nature of the claimant's title to the land upon which the works are located is  
possessory.

(6) The claimant's water right ~~was~~ (was not) recorded in the office of the County Recorder of  
County, at Page of Book of

(7) The approximate number of animals watered by the claimant during the first year was 100  
and said watering was conducted for an approximate period of 365 days during

~~of the following months~~ the year. The animals were ranging in the vicinity  
and watered at other springs as well as North Springs, and it is not  
probable that they all watered at North Springs during each day of  
the year.

(8) The approximate number of animals watered by claimant in subsequent years was as follows:  
Between 100 and 150 head, more or less, during each subsequent year,  
to and including the year 1916.

(9) The amount of water which it has been necessary to divert for the said purpose has been  
1/80 of a cubic feet per second, from the larger spring and  
40 miners inches equals 1 cubic foot per second 1/160 of a cubic foot per second from the  
(10) The water is diverted from its source at <sup>smaller</sup> spring. (See Below) feet from  
True bearing to nearest 5 minutes distance  
the corner of Section , T. , R. E.,  
Mount Diablo Base and Meridian.

NOTE—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at the springs.  
Describe as within a 40-acre subdivision of public survey or by a tie in same manner as under (10)

~~Remarks~~

(10) The water is diverted from its source at each of the springs.  
The larger spring bears approximately North 79° 27' west about  
six miles from what is known as the Big Warm Spring situate near  
Duckwater, in Nye County, Nevada. The smaller spring is about  
one-fourth mile northerly from the major spring. There are no  
other flowing springs of water closer than three miles to the  
North Springs.  
The Big Warm Spring above mentioned is situated in the NW 1/4  
of Sec. 32, T. 13 N., R. 56 E., M.D.B. & M. The North Springs  
are situated on the easterly slope of the Pancake Range of  
mountains, in Nye County, Nevada.  
North Springs are on unsurveyed land.

Remarks: At the time of the construction of the works on North Springs was begun and until the year 1906 Phil Genetti owned a one-half interest therein. In 1906 the undersigned purchased the cattle of Phil Genetti and also his interest in North Springs.

J. L. Toquoni

Subscribed and sworn to before me this 28th day of November, 1916

C. O. Fleming

Notary Public in and for the County of White Pine

My commission expires July 30th, 1917

This part of form to be left blank by claimant
