PROOF OF APPROPRIATION OF WATER FOR STOCK WATERING PURPOSES

From Gabbin Spring
Name of natural water course
Through Gabbin Watering place
Name of ditch, pipe line, etc.
Frank Walker, the undersigned, being first

duly sworn, deposes and says that the statements herein contained relative to the appropriation of water by the Geyser Land and Cattle Co. are full and correct to the best of his knowledge and belief.

Attorney in fact

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) Name of claimant Geyser Land and Cattle Co.
Address Geyser, County of Lincoln
State of Nevada

(2) The means of diversion employed is earth dams
Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in ground tanks
Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun about 1890
and completed at the same time

(5) The nature of the claimant's title to the land upon which the works are located is Grazing right

(6) The claimant's water right ~~was~~ (was not) recorded in the office of the County Recorder of _____ County, at Page _____ of Book _____ of _____

(7) The approximate number of animals watered by the claimant during the first year was 300, and said watering was conducted for an approximate period of 25 days during each of the following months each Month of the Year

(8) The approximate number of animals watered by claimant in subsequent years was as follows:

approximately 300 to 500 head of cattle have been watering at this Spring continually since 1890. The number being regulated according to the flow of water and the condition of the range for feed.

(9) The amount of water which it has been necessary to divert for the said purpose has been

.025 cubic feet per second.

40 miners inches equals 1 cubic foot per second

(10) The water is diverted from its source at N. 69° 14' E 11500 feet from

True bearing to nearest 5 minutes distance

the South Quarter corner of Section 14, T. 9 N., R. 64 E., Mount Diablo Base and Meridian,

NOTE—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at N.W. 1/4 N.E. 1/4 Sec. 14 T. 9 N. R. 64 E.

Describe as within a 40-acre subdivision of public survey or by a tie in same manner as under (10)

Remarks: The Geyser Land and Cattle Co., a Corporation under the laws

of Nevada, purchased the Geyser Ranch and Ranges in 1912, and this Spring is known to be a part of the Cow Range, held and maintained for years past by their predecessors in interest.

There has ben a watering trough at this spring, but the Winter floods has washed it away so many times that the only safe way being to watch the water and keep it open for the cattle to drink
