THE STATE OF NEVADA

PROOF OF APPROPRIATION OF WATER FOR
STOCK WATERING PURPOSES

From The North Fork of Grass Valley Gulch
Name of natural water course

Through natural channel
Name of ditch, pipe line, etc.

E. A. Henriod, the undersigned, being first
duly sworn, deposes and says that the statements herein contained relative to the appropriation of
water by E. A. Henriod and Fred Henriod are full and correct to the
best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) Name of claimant E. A. Henriod and Fred Henriod
Address Parker, County of White Pine,
State of Nevada

(2) The means of diversion employed is natural channel
Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in reservoir
Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun see next page under remarks
and completed

(5) The nature of the claimant's title to the land upon which the works are located is
unappropriated public land

(6) The claimant's water right ~~was~~ (was not) recorded in the office of the County Recorder of
County, at Page of Book of

(7) The approximate number of animals watered by the claimant during the first year was 500,
and said watering was conducted for an approximate period of 30 days during each
of the following months: all the months of the year

(8) The approximate number of animals watered by claimant in subsequent years was as follows:

About 500 head of cattle and horses were watered at this point and the adjoining channel, by J.R. Ferry ^{since year 1885} until about 1915, since that date E.A. and Fred Henriod have watered about 100 head of cattle and 2500 sheep.

E.A.H

(9) The amount of water which it has been necessary to divert for the said purpose has been approx 0.02 cubic feet per second.
40 miners inches equals 1 cubic foot per second

(10) The water is diverted from its source at N. 89° 40' W. 4300 feet from the Northwest corner of Section 7, T. 21 N, R. 69 E., Mount Diablo Base and Meridian.

NOTE—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at the point of diversion
Describe as within a 40-acre subdivision of public survey or by a tie in some manner as under (10)

Remarks: Answer to Question 4; A small reservoir built by J.R. Ferry at some time unknown to deponent, occupied the same position as the present reservoir. The new reservoir was started and completed in 1920

State of Nevada,)
County of White Pine.) SS.

E. A. Henriod, being first duly sworn deposes and says; that since making the jurat set forth above he has learned that J. R. Ferry constructed the reservoir referred to above, answering question "4" in 1886, and that the old reservoir was in continual use until affiant constructed the new one on its site.

E.A. Henriod

Subscribed and sworn to before me this 9th day of December, 1921.

H. A. Walker

Notary Public

of the reservoir
Remarks: Prior to completion, the main use of the water was made by
watering stock in the unimproved channel.

E. A. Herwood

Subscribed and sworn to before me this 23rd day of February 1921, MEX.

E. A. Roy

Notary Public in and for the County of White Pine

My commission expires Mar 26, 1923

This part of form to be left blank by claimant
