

THE STATE OF NEVADA

PROOF OF APPROPRIATION OF WATER FOR STOCK WATERING PURPOSES

From Red Mountain Spring Name of natural water course

Through one inch pipe line Name of ditch, pipe line, etc.

the undersigned, being first duly sworn, deposes and says that the statements herein contained relative to the appropriation of water by Martin Filippini and predecessors are full and correct to the best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) Name of claimant Martin Filippini Address Beowawe County of Eureka State of Nevada

(2) The means of diversion employed is one inch pipe line Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in metal tanks Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun 1892 and completed 1892

(5) The nature of the claimant's title to the land upon which the works are located is Government Range Land

(6) The claimant's water right/was (was not) recorded in the office of the County Recorder of County, at Page of Book of

(7) The approximate number of animals watered by the claimant during the first year was and said watering was conducted for an approximate period of 210 days during each of the following months May, June, July, August, September, October and November

(8) The approximate number of animals watered by claimant in subsequent years was as follows:

About 100 head of cattle water at different springs and this

is approximation. They range in the vicinity of this spring and

other springs and some cattle do not water at this spring each

day on account of their roving disposition.

(9) The amount of water which it has been necessary to divert for the said purpose has been enough
to water 100 head of cattle 1 cubic foot per second
40 miners inches equals 1 cubic foot per second

(10) The water is diverted from its source at S. 23° E. 3135 feet from

True bearing to nearest 5 minutes distance

the Southwest corner of Section , T. 26 N, R. 46 E.

Mount Diablo Base and Meridian. or $SW\frac{1}{4}$ of $NE\frac{1}{4}$ of Sec. 6, T. 25 N. R. 46 E.

Note—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(unsurveyed)

(11) The works are located at same point as point of diversion

Describe as within a 40-acre subdivision of public survey or by a tie in same manner as under (10)

Remarks: The works have been kept up by affiant and his predecessors

since said spring was taken. Affiant has been acquainted with the

spring since 1892 and owned same since 1900.
