

THE STATE OF NEVADA  
PROOF OF APPROPRIATION OF WATER FOR  
STOCK WATERING PURPOSES

From Rocky Mountain Spring  
Name of natural water course

Through one half inch pipe line  
Name of ditch, pipe line, etc.

....., the undersigned, being first  
duly sworn, deposes and says that the statements herein contained relative to the appropriation of water by  
Martin Filippin and predecessors..... are full and correct to the  
best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) Name of claimant Martin Filippini  
Address Boowawe, County of Eureka  
State of Nevada

(2) The means of diversion employed is one half inch pipe line  
Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in metal trough  
Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun 1892  
and completed 1892

(5) The nature of the claimant's title to the land upon which the works are located is  
Government range land

(6) The claimant's water right was (was not) recorded in the office of the County Recorder of  
County, at Page of Book of

(7) The approximate number of animals watered by the claimant during the first year was 50 cattle,  
and said watering was conducted for an approximate period of 210 days during  
each of the following months May, June, July, August, September, October and  
November

(8) The approximate number of animals watered by claimant in subsequent years was as follows:

About 50 head of cattle water at different springs and this is approximation. They range in the vicinity of this spring and other springs and some cattle do not water at this spring each day on account of their roving disposition.

(9) The amount of water which it has been necessary to divert for the said purpose has been enough to water 50 head of cattle cubic feet per second  
40 miners inches equals 1 cubic foot per second

(10) The water is diverted from its source at S 65° W. 29110 feet from the S W corner of Section           , T. 25 N., R. 46 E. Mount Diablo Base and Meridian. or SW  $\frac{1}{4}$  of NW  $\frac{1}{4}$  of Sec. 17, T. 24 N. R. 46 E.

Note—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at same point as point of diversion  
( unsurveyed )  
Describe as within a 40-acre subdivision of public survey or by a tie in same manner as under (10)

Remarks: The works have been kept up by affiant and his predecessors since said spring was taken. Affiant has been acquainted with the spring since 1892 and owned same since 1900.
