PROOF OF APPROPRIATION OF WATER FOR STOCK WATERING PURPOSES

From South Fork of East Creek Name of natural water course

Through Natural channel Name of ditch, pipe line, etc.

J. H. Eager, the undersigned, being first
duty sworn, deposes and says that the statements herein contained relative to the appropriation of
water by The Adams-McGill Company Inc. are full and correct to the
best of his knowledge and belief.

As General Manager for the Adams-McGill Company Inc.
If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) Name of claimant The Adams-McGill Company Incorporated
Address P. O. Box 518 Ely, County of White Pine,
State of Nevada

(2) The means of diversion employed is Not diverted
Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in not impounded
Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun no construction necessary
and completed

(5) The nature of the claimant's title to the land upon which the works are located is Owned by the
United States Government

(6) The claimant's water right was (was not) recorded in the office of the County Recorder of
Not recorded County, at Page _____ of Book _____ of _____

(7) The approximate number of animals watered by the claimant during the first year was 200 cattle
and said watering was conducted for an approximate period of thirty (30) days during each
of the following months April, May, June, July, August and September.

(8) The approximate number of animals watered by claimant in subsequent years was as follows:

200 or more cattle from prior to 1886 to 1897 and 2500 or more sheep from 1897 to 1924 inclusive, during the months of, April, May, June, July, August and September.

(9) The amount of water which it has been necessary to divert for the said purpose has been about one fourth (1/4) cubic feet per second.
40 miners inches equals 1 cubic foot per second

(10) The water is diverted from its source at Not diverted feet from the corner of Section, T., R., E., Mount Diablo Base and Meridian.

NOTE—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at no work required Describe as within a 40-acre subdivision of public survey or by a tie in same manner as under (10)

Remarks: The source of South Fork of East Creek is located at a point N 83 degrees 10 minutes E, 16260 feet from the SW cor. Sec. 20, T 19, R 65 E, M. D. B. M. Flows south westerly from the described point into East Creek in the NE 1/4 of the SE 1/4 of Sec. 22, T 19, R 65E.

The Adams-McGill Company Inc. and its predecessors, exclusively, have used all the water necessary to water all the stock that could graze within ranging distance of South Fork of East Creek continuously, since before 1886 and to 1925. Grazing right for the season of 1925 was granted to others by the Forest officials.
