I do believe that this water was ever recorded. ....

NOTE—Failure to record in the county in no way invalidates a water right, but if ditch or right was so recorded, supply full information under (19)

(19) The map provided by the State Engineer and attached hereto as a part of this proof is hereby accepted as correctly showing the ditch lines or irrigation works diverting or conveying the water claimed and the lands irrigated.

(20) Water from the source given and through the works described is also used for the following purposes other than irrigation:.....

.....This water not used for any other purpose.....

(21) Remarks: .....

.....Water was used every year subsequent to 1895 by Jacob Hofman except the year 1911, when the land hereinbefore mentioned was leased to a Miss Hider, with whom there was an understanding that the water should be used for irrigating said land.

.....The amount of water from this canyon is very limited. It is very seldom that enough water reaches the land mentioned to properly irrigate it.

.....The ditches have often been cleaned, but never with the intention of enlarging them. They were sufficiently large to carry any and all waters that could be turned into them.
