and completed previous to 1904 Exact date unknown

(5) The dimensions of the ditch or canal as originally constructed were: Width on bottom _____ feet;
width on top _____ feet; depth _____ feet; on a grade of _____ feet per
thousand feet.

(6) The amount of water claimed is 11000 gals per day of 24 hrs - (.017 c.f.s.)
second feet.

(7) The conduit ~~has~~ (has not) been enlarged.
(NOTE: If enlargement or extension of ditch was made, supply information under (7) and (8).)

(8) The work of enlargement of the ditch or canal was begun _____
and completed _____

(9) The dimensions of the ditch or canal as enlarged are: Width on bottom _____ feet; width on top
_____ feet; depth _____ feet; on a grade of _____ feet per thousand feet.

(10) The claimant ~~is~~ (is not) an owner in the above-described conduit.

(If claimant is an owner in the conduit, state interest held on this line.)

(11) The nature of the title to the land upon which the works are located is _____

Patented Mill Site

(12) If works are not completed give description of work already done _____

Completed

(13) The water has been used for power (mining) (milling) from Mining almost continuously
(Strike out any not wanted) for 30 years (Day of month) and
to Milling about same length of time, show part of 1913 & 1914
(Day of month) of each year.

(14) The water was first used for power (mining) (milling) by claimant or its grantors over 30 yrs
(Strike out any not wanted) ago, date unknown and horse power unknown
in the year _____, when _____ horse-power was generated.

(15) The maximum power generated in any year was About 700 horse-power.

(16) The years during which no water was used for power (mining) (milling) or during which the fully water
(Strike out any not wanted)
right was not used were Used in reduced quantity from 1906
to 1910
(If water was not used, or used in reduced quantity at any time,
full information as to the cause and duration of non-use should be given, appending a sheet if necessary.)

(17) The claimant's water right ~~was~~ (was not) recorded in the office of the County Recorder of to my
Knowledge, County, said record being at page..... of Book..... of.....
and being a claim for..... of water for generating power (mining)
(Strike out any not wanted)

(milling)
(NOTE: Failure to record in the county in no way invalidates a water right, but if a ditch or right was so recorded, supply full information.)

(18) The map provided by the State Engineer and attached hereto as a part of this proof is hereby accepted as correctly showing the ditch lines or other works diverting or conveying the water claimed, to the point of use.

(19) Water from the source given and through the works described is also used for the following purposes other than power (mining) (milling) drinking water, and piped into
(Strike out any not wanted) the company's houses

(20) Remarks: From 1906 to 1910 mines and mill were operated only intermittently during the transfer of the property to present claimant, and the raising of funds for further operations.

Subscribed and sworn to before me, this 21st day of October 1914
J. F. Plummer J. F. Plummer

Notary Public in and for the County of Cureka

My commission expires Sept 29 1917

This part of form to be left blank by claimant.
