THE STATE OF NEVADA

*Proof of Appropriation of Water for
Power (Mining) (Milling)*

.....

.....

From Humboldt Creek in Lot 1 Sec. 7 T 31 N R 34 E MDM
(Name of natural water source.)

Through Humboldt Pipe Line
(Name of ditch, flume, or pipe line.)

Otis Weeks (Div. Engineer) Southern Pacific Co., the undersigned,
being first duly sworn, deposes and says that the facts relative to the appropriation of water by

Central Pacific Railway Company

are full and correct to the best of his knowledge and belief.

(If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant.)

(1) Name of claimant Central Pacific Railway Company
Address San Francisco County of San Francisco
State of California

(2) The means of diversion employed Pipe Line
(Dam and ditch, pipe line, flume, etc.)

(3) The date of the survey of ditch, canal or pipe line was 1917 (Resurvey of old pipe line)

(4) The construction of the ditch or other works was begun 1870

and completed in 1870 with 3" pipe. Renewed in 1881 with 16400 ft. 3 inch
and 1028 ft. of 4 inch pipe

(5) The dimensions of the ditch or canal as originally constructed were: Width on bottom.....feet;
width on top.....feet; depth.....feet; on a grade of.....feet per
thousand feet.

(6) The amount of water claimed is 0.21 second-feet. (135726 gal per 24 hrs)

(7) The conduit ~~has~~ (has not) been enlarged.
(Note: If enlargement or extension of ditch was made, supply information under (7) and (8.)

(8) The work of enlargement of the ditch or canal was begun
and completed.....

(9) The dimensions of the ditch or canal as enlarged are: Width on bottom.....feet; width on top
.....feet; depth.....feet; on a grade of.....feet per thousand feet.

(10) The claimant is (~~is not~~) an owner in the above-described conduit.....

Entire ownership vested in claimant.

(If claimant is an owner in the conduit, state interest held on this line.)

(11) The nature of the title to the land upon which the works are located is application for right
of way pending with U.S. Government

(12) If works are not completed give description of work already done. Fully completed in 1884

(13) The water has been used for ~~power~~ locomotives from January first
(Strike out any not wanted) (Day of month)
to December thirty first of each year.
(Day of month)

(14) The water was first used for ~~power~~ by claimant or grantors in the year
(Strike out any not wanted)
about 1870, when horse-power was generated.

(15) The maximum power generated in any year was horse-power.

(16) The years during which no water was used for power (mining) (milling) or during which the fully water
(Strike out any not wanted)

right was not used were Portion of water has not been used at various

(If water was not used, or used in reduced quantity at any time,

times, depending upon traffic.

full information as to the cause and duration of non-use should be given, appending a sheet if necessary.)

(17) The claimant's water right ~~xxx~~ (was not) recorded in the office of the County Recorder of Humboldt County, said record being at page _____ of Book _____ of _____ and being a claim for _____ of water for generating power (mining) (Strike out any not wanted) (milling)

(NOTE: Failure to record in the county in no way invalidates a water right, but if a ditch or right was so recorded, supply full information.

(18) The map provided by the State Engineer and attached hereto as a part of this proof is hereby accepted as correctly showing the ditch lines or other works diverting or conveying the water claimed, to the point of use.

(19) Water from the source given and through the works described is also used for the following purposes other than ~~locomotive use~~ locomotive use, a small portion being used for domestic and irrigation purposes. An overflow has occasionally existed from this pipe line. This overflow resulted from an abnormal flow in

(20) Remarks: the creek combined with smaller requirements for locomotives During times of heaviest traffic and shortage of supply at Imlay Nevada entire supply from Humboldt Creek is necessary for locomotive requirements.

Subscribed and sworn to before me, this 14th day of May 1918
