Describe as being within a 40-acre subdivision, section, township and range of public survey. If on unsurveyed
land, it should be stated.
.....

Remarks This spring has been used to water livestock for over 100 years. It is
an important source of water for the operation of the ranch. The location is such
that the grazing allotment can be more fully utilized from this water source.
The spring is cleaned out from time to time, when necessary, by ranch foreman
in order to maintain the flow.
.....
.....
.....

Remarks This spring, Held Spring No. 6, is located on a parcel of land with an application for patent date of 1886 by William I. Townshend. It is just south of Sulphur Springs near the Pancake Summit, within the grazing allotment.

The undersigned, being first duly sworn, deposes and says that the facts relative to the appropriation of water by United Dressed Beef, Inc. are full and correct to the best of his knowledge and belief.

Donald D. Eldridge - Agent

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant.
