THE STATE OF NEVADA  
PROOF OF APPROPRIATION OF WATER FOR  
STOCK WATERING PURPOSES

From Bastian Creek Name of natural water course

Through Bastian Creek ditch Name of ditch, pipe line, etc.

John L. Eger, the undersigned, being first  
duly sworn, deposes and says that the statements herein contained relative to the appropriation of  
water by The Adams-McGill Company Incorporated are full and correct to the  
best of his knowledge and belief.

As General Manager for the Adams-McGill Company Inc.  
If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

(1) Name of claimant The Adams-McGill Company Inc.  
Address P. O. Box 513 Ely, Nevada, County of White Pine,  
State of Nevada

(2) The means of diversion employed is Bastian Creek ditch  
Dam and ditch, pipe line, flume, etc.

(3) The water is impounded in Not impounded  
Troughs, reservoirs, tanks, etc.

(4) The construction of the ditch or other works was begun Work not necessary  
and completed:

(5) The nature of the claimant's title to the land upon which the works are located is  
U. S. Government

(6) The claimant's water right was (was not) recorded in the office of the County Recorder of  
Not recorded County, at Page          of Book          of         

(7) The approximate number of animals watered by the claimant during the first year was 100 to 500 cattle  
and said watering was conducted for an approximate period of 365 days during each year  
of the following months

(8) The approximate number of animals watered by claimant in subsequent years was as follows:

180 to 300 cattle, each year for 365 days prior to 1910, and 100 or more cattle for 365 days from 1910 to date, and 250 sheep during April, May, June and September, October, November and December of each year from 1910 to date.

(9) The amount of water which it has been necessary to divert for the said purpose has been

$\frac{1}{20}$  cubic feet per second.  
40 miners inches equals 1 cubic foot per second

(10) The water is diverted from its source at not diverted feet from  
True bearing to nearest 5 minutes distance

the corner of Section, T., R., E.,  
Mount Diablo Base and Meridian.

NOTE—Information under (10) must invariably be given when a public corner is within 6 miles, unless the State Engineer consents to some other form of description.

(11) The works are located at point 450 feet from SE of Section 23, T. 15N., R. 16E., S.D. 1.  
Describe as within a 40-acre subdivision of public survey or by a tie in same manner as under (10)

5675 feet from  
H. 7.111

Remarks: A. G. Cleveland and his estate used water from Bastian Creek, for stock watering continuously from the time of his locating in Spring Valley about 1870. All his interests, both real and personal were transferred to The Adams-McGill Co. Inc. in 1910, and that is the way the water was described above, ever since.
