

THE STATE OF NEVADA
PROOF OF APPROPRIATION OF WATER FOR IRRIGATION

Source..... Ophir Creek and tributaries.....

Name of natural water source

The water is diverted from its source..... See Exhibit "A".....

Name of ditch, flume or pipe line

at the following point(s).....

List all points of diversion from this source, appending a sheet if necessary

See Exhibit "B"

Describe as being within a 40-acre subdivision of public survey, and by course and distance to a section corner. If on unsurveyed land, it should be stated

(1) Name of claimant..... State of Nevada, Department of Fish and Game.....

Address..... Box 10678, Reno....., County of..... Washoe.....

State of..... Nevada..... 89510.....

(2) The means of diversion employed..... dams and ditches.....

Dam and ditch, pipe line, flume, etc.

(3) The date of the survey of ditch, canal, or pipe line was..... See Exhibit "A".....

(4) The construction of the ditch or other works was begun..... See Exhibit "A".....

and completed..... See Exhibit "A".....

(5) The dimensions of the ditch or canal as originally constructed were: Width on bottom..... See Exhibit "A"
feet, width on top..... feet, depth..... feet, on a grade of..... feet per thousand feet.

(6) The conduit has (has not) been enlarged.
NOTE—If enlargement or extension of ditch was made, supply information under (7) and (8)

(7) The work of enlargement of the ditch or canal was begun.....
and completed.....

(8) The dimensions of the ditch or canal as enlarged are: Width on bottom..... feet, width on
top..... feet, depth..... feet, on a grade of..... feet per thousand feet.

(9) The claimant is (~~is not~~) an owner in the above-described conduit.

by vested rights

If claimant is an owner in the conduit, state interest held on this line -

(10) The nature of the title to the land for which the water right is claimed is..... fee simple.....

Fee simple, public domain, etc.

(11) Crops of..... wildlife habitat.....
have been grown upon the land irrigated.

(12) The water has been used for irrigation from..... January 1st..... to..... December 31st.....
of each year. Day of month Day of month

(14) The maximum acreage irrigated in any year was..... 2155..... acres.

(15) The water claimed has ~~(has not)~~ been used for irrigation each and every year since the right was initiated. Strike out one not wanted

(16) The years during which no water was used for irrigation or during which the full water right was not used were.....

If water was not used, or used in reduced quantity at any time, full information as to causes and duration of non-use should be given, appending a sheet if necessary

(17) The claimant's water right was ~~(was not)~~ recorded in the office of the County Recorder of

..... Washoe..... County, said record being at page..... 280..... of Book..... F..... of

..... Liens and miscellaneous....., and being a claim for.....

..... of water for the irrigation of.....

acres of land in the following legal subdivisions:.....

..... Same as (13) above.....

NOTE—Failure to record in the county in no way invalidates a water right, but if ditch or right was so recorded, supply full information under (17)

(18) Water from the source given and through the works described is also used for the following purposes other than irrigation: Fish, wildlife and recreation and stockwater.

(19) The character of the soil is sandy loam 6.0 acre-feet per acre per annum have been used to irrigate the crops. A continuous flow of all available cubic feet of water per second has been used to irrigate 2155 acres of land.
(Sandy, gravelly, loam)

(20) Remarks: Please refer to previous proofs filed by the claimant under Proof of Appropriation, Number 02442 and to the exhibits submitted herewith and made a part hereof.

Most of the lands claimed irrigated hereunder were flooded during winter and spring and then used by livestock, fish and wildlife.

The undersigned, being first duly sworn, deposes and says that the facts relative to the appropriation of water by State of Nevada Department of Fish and Game are full and correct to the best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the

claimant
