Item 20 - Remarks

The following is a summary of information gathered in order to establish an approximate date of priority. The other information confirming the use of water and cultures grown has also been collected and enclosed. However, this information has not been included in this summary.

Bruneau River & Willow Creek-Affidavit states that Mr. Charlie Pearson and Mr. Jesson built the reservoir (Charleston Reservoir) in 1894 and irrigated lands from these two sources. Refer to Affidavit in Book 242, Page 532 recorded in Elko County.
