1. The names of the claimants are JOHN F. SABIN and EVELYN M. SABIN, husband and wife, Star Route via Golconda, Midas, Nevada 89414.

2. The source of water is underground (mine tunnel).

3. The water is diverted by an unnamed 4" pipeline.

4. The water is diverted at the following point: Within the Northeast Quarter Southwest Quarter of Section 17, T.39N., R.46E., M.D.B.&M., or at a point from which the East 1/16 corner of Sections 17 and 20, T.39N., R.46E., M.D.B.&M. bears S34°52'E 2,879.5'.

5. The water is impounded in a mine tunnel.

6. The construction of the ditch or other works was begun prior to March 1908 and completed prior to March 1908.

7. The nature of the claimants' title to the land upon which the source of water and place of use are located is: Source of water is on public domain; place of use is on private ground.

8. The claimant's, JOHN F. SABIN, water right was recorded in the Office of the County Recorder of Elko County, at Page 268 of Book 77.

9. The approximate number of residences served by the claimants in subsequent years was as follows: The 4" pipeline serves approximately thirty (30) residences within the place of use (the Town of Midas).

10. The amount of water which has been necessary to be diverted for this purpose has been 0.084 c.f.s.

11. The works are located within the South Half Southeast Quarter of Section 17, East Half East Half of Section 20, West Half West Half of Section 21; all in T.39N., R.46E., M.D.B.&M.

REMARKS: On March 30, 1908 Application 860 was filed with the State Engineer's Office to appropriate water for the Town of Midas. The Application

~~states the source is a spring and a pipeline to Midas. Mr. Sabin's water system~~

1 utilizes this pipeline. The Application was declared void because the necessary
2 documentation was not filed.

3 Also attached hereto you will find copies of Deeds on file in Elko
4 County, Nevada, tracing this water system back to 1910.

5 The undersigned, being first duly sworn, deposes and says that the
6 facts relative to the appropriation of water by JOHN F. SABIN are full and
7 correct to the best of his knowledge and belief.
