NOTE—Failure to record in the county in no way invalidates a water right, but if ditch or right was so recorded, supply full information under (17)

(18) Water from the source given and through the works described is also used for the following purposes other than irrigation: Water from source was used in the manufacture of artificial ice for refrigerator car service prior to 1925. It was also used for quasi-municipal purposes.

(19) The character of the soil is (Sandy, gravelly, loam) A continuous flow of cubic feet of water per second has been used to irrigate acres of land and acre-feet per acre per annum have been used to irrigate the crops.

(20) Remarks: Prior to 1925, an underground source of percolating water was used at the Pacific Fruit Express Ice House and for quasi-municipal purposes at the cottage and other uses for railroad personnel. The amount of water beneficially used per annum was 241.4 acre feet per attached affidavit. The priority date was established by Application 7602, Certificate 1459. The actual point of diversion is per this Proof of Appropriation and attached affidavit and not as shown on the map under 7602. The place of use is within a portion of SE 1/4 NE 1/4 Section 8, T19N, R20E, MDM, as shown on Permit 7602. Based on the affidavit, it appears that the point of diversion was not at the location as shown on the Map to accompany Proof of Beneficial Use under Application No. 7602 but at the location as shown under Proof of Appropriation Serial No. 04578. The existing facilities (6 inch well and 12 X 12 pit) are located at the point of diversion shown on Serial No. 04578 and have always been at that location.

The undersigned, being first duly sworn, deposes and says that the facts relative to the appropriation of water by John A. Dermody, Inc. are full and correct to the best of his knowledge and belief. Richard W. Arden acting as Agent

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant
