Remarks This water pond is very important to the implementation of
an allotment management plan as well as being vital to helping
us get through drought situations.

Remarks This grazing permit is tied to my base property which has water appropriations #01187 and #01188. It is essential to remove cattle from base property to this range while hay is growing.

The undersigned, being first duly sworn, deposes and says that the facts relative to the appropriation of water by Nelo Mori are full and correct to the best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant.
