Continued on Attached Sheet

- (14) The maximum acreage irrigated in any year was..... 2845.88 acres.
- (15) The water claimed has (~~has not~~) been used for irrigation each and every year since the right was initiated. Strike out one not wanted
- (16) The years during which no water was used for irrigation or during which the full water right was not used were... during years when the Lake bed was so inundated with water
If water was not used, or used in reduced quantity at any time, full information as to causes and duration of non-use should be given, appending a sheet if necessary
that the pasture was unusable.
- (17) The claimant's water right ~~was~~ (was not) recorded in the office of the County Recorder of
..... County, said record being at page..... of Book..... of
....., and being a claim for.....
..... of water for the irrigation of

acres of land in the following legal subdivisions:.....
.....
.....
.....
.....

NOTE—Failure to record in the county in no way invalidates a water right, but if ditch or right was so recorded, supply full information under (17)

(18) Water from the source given and through the works described is also used for the following purposes other than irrigation: Stockwater

(19) The character of the soil is Loam A continuous flow of 28.46 cubic feet of water per second has been used to irrigate 2845.88 acres of land and 3 acre-feet per acre per annum have been used to irrigate the crops.

(20) Remarks:

The undersigned, being first duly sworn, deposes and says that the facts relative to the appropriation of water by _____ are full and correct to the best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant
