(14) The maximum acreage irrigated in any year was 786.16 acres.

(15) The water claimed has (~~has not~~) been used for irrigation each and every year since the right was initiated.

(16) The years during which no water was used for irrigation or during which the full water right was not used were

None

If water was not used, or used in reduced quantity at any time, full information as to causes and duration of non-use should be given,

 appending a sheet if necessary

(17) The claimant's water right was (was not) recorded in the office of the County Recorder of _____
 County, said record being at Page _____ of Book _____ of _____,
 and being a claim for _____
 of water for the irrigation of _____ acres of land in the following legal subdivisions: _____

NOTE: Failure to record in the county in no way invalidates a water right, but if ditch or right was so recorded, supply full information under (17)

(18) Water from the source given and through the works described is also used for the following purposes other than irrigation: Stockwater

 Used all year long (January 1 to December 31)
