Year

(14) The maximum acreage irrigated in any year was 80 acres.

(15) The water claimed has (has not) been used for irrigation each and every year since the right was initiated.

(16) The years during which no water was used for irrigation or during which the full water right was not used were unknown - some acreage was irrigated entirely by groundwater and some groundwater supplemented Truckee River supplies depending on surface water given, appending a sheet if necessary availability.  
If water was not used, or used in reduced quantity at any time, full information as to causes and duration of non-use should be given, appending a sheet if necessary availability.

(17) The claimant's water right was was not recorded in the office of the County Recorder of \_\_\_\_\_ County, said record being at page \_\_\_\_\_ of Book \_\_\_\_\_ of \_\_\_\_\_, and being a claim for \_\_\_\_\_ of water for the irrigation of \_\_\_\_\_ acres of land in the following legal subdivisions:

NOTE—Failure to record in the county in no way invalidates a water right, but if ditch or right was so recorded, supply full information under (17)

(18) Water from the source given and through the works described is also used for the following purposes other than irrigation:

stockwatering

(19) The character of the soil is sandy loam (Sandy, gravelly, loam). A continuous flow of 0.5 cubic feet of water per second has been used to irrigate 80 acres of land and 2.5 to 3.0 acre-feet per acre per annum have been used to irrigate the crops.

(20) Remarks. The claimant is presently gathering historical information and evidence on the past beneficial use of groundwater from some 13 wells located on the Double Diamond Ranch. Claims of vested right will be filed on all identified rights for both irrigation and stockwatering. The claimant reserves the right to file amended claims at a later date depending on additional historic information and evidence developed.

The undersigned, being first duly sworn, deposes and says that the facts relative to the appropriation of water by claimant are full and correct to the best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant
