(14) The maximum acreage irrigated in any year was 32 acres.

(15) The water claimed has (has not) been used for irrigation each and every year since the right was initiated.

(16) The years during which no water was used for irrigation or during which the full water right was not used were The right was developed as a supplemental source to Truckee
If water was not used, or used in reduced quantity at any time, full information as to causes and duration of non-use should be
and Carson River water delivered through the Newlands Reclamation
given, appending a sheet if necessary
Project and has been used as needed to supplement those rights.

(17) The claimant's water right was (was not) recorded in the office of the County Recorder of _____ County, said record being at page _____ of Book _____ of _____, and being a claim for _____ of water for the irrigation of _____ acres of land in the following legal subdivisions:

It is unknown if any claims were filed.

NOTE—Failure to record in the county in no way invalidates a water right, but if ditch or right was so recorded, supply full information under (17)

(18) Water from the source given and through the works described is also used for the following purposes other than irrigation:
Stock watering of 400 pairs of cows, 10-20 horses and 10-15 pigs
and sheep, as well as uses related to a medium-sized dairy
operation, including but not limited to, stock watering of dairy
herd and daily rinsing of milking barns and facilities.

(19) The character of the soil is sandy loam A continuous flow of .5 cubic
(Sandy, gravelly, loam)
feet of water per second has been used to irrigate 32 acres of land and 4.5
acre-feet per acre per annum have been used to irrigate the crops.

(20) Remarks. Wells were drilled in 1913 and 1918 and some redrilled in 1947 and 1974. Pumping from the subject wells has supplemented Truckee and Carson River water rights delivered by the Truckee Carson Irrigation District and water therefrom has been utilized to maintain self-sustaining farming and dairy operations. See, Affidavit attached hereto and incorporated herein by reference.

The undersigned, being first duly sworn, deposes and says that the facts relative to the appropriation of water by A & A Dairy are full and correct to the best of his knowledge and belief.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant

A & A Dairy
