(14) The maximum acreage irrigated in any year was +/- 160 acres.

(15) The water claimed has been used for irrigation each and every year since the right was initiated.

(16) The years during which no water was used for irrigation or during which the full water right was not used were (if water was not used, or used in reduced quantity at any time, full information as to causes and duration of non-use should be given, appending a sheet if necessary.)

Irrigation has taken place every when water was available. Water from Cedar Canyon flows by ditch into Home Station Ranch reservoir and is used to irrigate lands described in Item 13 (above).

(17) The claimant's water right was ~~(was not)~~ recorded in the office of the County Recorder of Humboldt County, said record being at page 195 of Book 27 of _____, and being a claim for E. E. Starrett of water for the irrigation of 160 acres of land in the following legal subdivisions:

The claimants and their predecessors have irrigated the above lands since 1872. Please see Abstract of Title in File V01933. Irrigated lands are described in Item 13 (above).

Note - Failure to record in the county in no way invalidates a water right, but if ditch or right was so recorded, supply full information under (17)

(18) Water from the source given and through the works described is also used for the following purposes other than irrigation:

Stock water and domestic

(19) The character of the soil is loamy Sandy, gravelly, loam. A continuous flow of 1.0 cubic feet of water per second has been used to irrigate 127.55 acres of land and 4.2 acre-feet per acre per annum have been used to irrigate the crops.

(20) Remarks

Water flows under the county access road, through a large culvert, from whence it enters Home Station Ranch reservoir and then irrigates the lands described in Item 13 (above). Flows from Cedar Canyon are variable and dependent on winter snowfall. Periodic Summer thunderstorms can greatly increase stream flows.

The undersigned, being first duly sworn, deposes and says that the facts relative to the appropriation of water by

Mike and Barbara Stremler are full and correct to the best of his knowledge and belief.

The claimants above have given Sam E. Monteleone the authority to act as their agent in filing this Proof.

If proof is not made by claimant, deponent should state on this line by virtue of what authority he represents the claimant.
