Brush Spring: Attachment 2

Remarks:

Brush Spring is located in the historic grazing area surrounding Jackson Creek Ranch/ Trout Creek Ranch owned by DeLong Ranches, Inc. Evidence of cattle use on Jackson Creek / Trout Creek range land surfaces in 1871. The September 2, 1871, edition of the newspaper, The Silver State, describes Mr. J. Mann of the firm "Smith & Mann" (predecessors to the claimant) as having a "large band of cattle on extensive pasture on Jackson Creek." Besides newspaper accounts, J.J. Mann and William Smith of "Smith & Mann" made claims on land around Donishee (Donna Shea) and Jackson Creek in 1871. S.J. Mann (likely a recording error for J.J. Mann) had a claim on land surrounding Trout Creek, also in 1871. In addition, cattle brand records published in the book, On the Hoof in Nevada, by Velma Stevens Truett and found in the Humboldt County Recorder's Office list cattle brands for "Smith & Mann" on Trout Creek Ranch, Jackson Creek Ranch, and Dunchee (Donna Shea) Springs Ranch, first recorded in 1873. General Land Office (GLO) survey maps dated 1874 indicate that cattle were using the range and water surrounding Trout Creek by this date with the depiction and labeling of the road and corral in Section 25 of T39N, R31E. Other predecessors to the claimant, including James Sloan and George D. Bliss grazed cattle in this area beginning in 1889. Later the Lay Brothers, Fred Hummel and others ran numerous cattle in the area. Various Possessory Claims were recorded throughout the 1800's and early 1900's on land and water surrounding Jackson Creek and Trout Creek often listing stock water use, irrigation use, and other beneficial uses. With these claims, newspaper accounts, various documents, chain of title, and evidence already on file with the Division of Water Resources, along with the fact that cattle use all water sources on the range in which they occupy, a continued, unbroken chain of use for land and water has been established from 1871 up to the present with DeLong Ranches, Inc. Evidence on file with the Division of Water Resources includes Exhibit "A" Proof of Vested Right; Exhibit "A-1" Supplement and Amendment to Exhibit A; Exhibit "A-2" Supplement 2 to Exhibit A; Exhibit "B" List of Nevada State Patents; Exhibit "C" List of United States Patents; and Exhibit "D" Chain of Title (Exhibits "A" through "D" -- filed under Bliss Spring and Bliss Canyon # V09804).
