IN THE MATTER OF APPLICATION

NUMBER 25857, FILED BY

B. H. ROBISON,

on Nov. 9 1970, to APPROPRIATE
THE WATERS OF BASSETT CREEK

PROTEST OF _____

GEORGE ELDRIDGE & SON, INC.

Comes now JOHN C. BARTLETT, as attorney for George Eldridge & Son, Inc.
whose post-office address is North Spring Valley Route, Ely, Nevada 89301
whose occupation is cattle rancher, and protests
the granting of application number 25857, filed on
November 9, 1970 by B.H. Robison
to appropriate the waters of Bassett Creek
situated in White Pine County, State of Nevada, for the
following reasons and on the following grounds, to wit:

1. The adjudication on Bassett Creek still indicates there is no surplus water available.
2. The protestant has pending an application for 10 cfs year-round from the waters of Bassett Creek, which application should be ruled on prior to the above application.
3. Protestant has a first permit for 7.78 cfs in the spring and summer and has installed a pipe so as to make the highest and best use of their water rights on this creek.
4. The Notice of Application is published in the wrong county, since Bassett Creek is located in White Pine County and the publication is in Elko County.
5. The applicant, B. H. Robison, has other applications pending which he has never pursued to finality and his application simply confuses the orderly use of the waters of Bassett Creek.
6. If any such application should be granted applicant should be required to transmit the waters by installing a pipe which is the only efficient way to use the waters of that creek in that area.

WHEREFORE protestant prays that the application
be denied.

(Denied, or issued subject to prior rights, as the case may be)

and that the use of water herein claimed by protestant be confirmed
and that an order be entered establishing said right and for such
other relief as the State Engineer deems just and proper.
