County, State of Nevada, for the following reasons and on the following grounds, to wit:  
This Application is one of 146 applications filed by the Las Vegas Valley Water District  
seeking a combined appropriation of some 864,195 acre feet of ground and surface water  
primarily for municipal use in Clark County. Diversion and export of such a quantity  
of water will deprive the area of origin of the water needed to protect and enhance its  
environment and economic well being, and the diversion will unnecessarily destroy  
environmental, ecological, scenic and recreational values that the State holds in  
trust for all its citizens.

THEREFORE the protestant requests that the application be Denied  
(Denied, issued subject to prior rights, etc., as the case may be)
