of Application Number 53967, filed on October 17, 1989.

by Las Vegas Valley Water District, Las Vegas, Nevada
Printed or typed name of applicant

waters of underground situated in Nye
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

Pioneer requests this application be denied on the following basis:

Pioneer Oil & Gas, along with numerous other industry partners, are actively exploring for oil and gas in lands adjacent to the subject application. The loss of underground water in the immediate areas would have a tremendous negative impact on geological and geophysical methods used for locating oil and gas reserves.

Construction of pipelines and aqueducts would interfere greatly with the rights previously granted in oil and gas leases. We protest this application for the above reasons and adopt as our own, each and every other protest to the subject application filed pursuant to NRS 533.365

THEREFORE the protestant requests that the application be Denied: Infringes on prior rights
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
