waters of UNDERGROUND, RAILROAD Valley situated in Nye Co.
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water when added to the already approved appropriations and existing uses in the Railroad Valley Basin will exceed the annual recharge and safe yield of the basin. Appropriation and use of this magnitude will lower the static water level and degrade the quality of water from existing wells and Artesian springs and will jeopardize the continued existence of endangered and threatened species recognized under the federal Endangered Species Act and related State statutes.

THEREFORE the protestant requests that the application be DENIED
(Denied, issued subject to prior rights, etc., as the case may be)
