IN THE MATTER OF APPLICATION NUMBER 53990
FILED BY Las Vegas Valley Water District
ON October 17, 1989, TO APPROPRIATE THE
WATERS OF Underground

PROTEST

Comes now Richard J. Walters
whose post office address is P.O. Box 534, Priche, NV 89043
whose occupation is Mechanic, and protests the granting
of Application Number 53990, filed on October 17, 19 89
by Las Vegas Valley Water District
waters of Underground situated in Lincoln

County, State of Nevada, for the following reasons and on the following grounds, to wit:

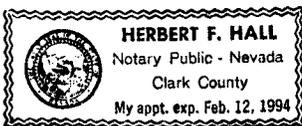

The appropriation of this water when added to the already approved appropriations & dedicated users in the 181 basin will exceed the annual recharge & safe yield of the basin. Appropriation & use of this magnitude will lower the water table & degrade the quality of water from existing wells, cause negative hydraulic gradient influences, further cause other negative impacts & will adversely affect existing rights adverse to the public interest.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
