waters of Underground
Underground or name of stream, lake, spring or other source situated in Lincoln
County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water when added to the already
approved appropriations and dedicated users in the 202 basin will
exceed the annual recharge and safe yeild of the basin. Appropri-
ation and use of this magnitude will lower the water table and
degrade the quality of water from existing wells, cause negative
hydraulic gradient influences, further cause other negative impacts
and will adversely affect existing rights adverse to the public
interest.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)
