IN THE MATTER OF APPLICATION NUMBER 54031, FILED BY Las Vegas Valley Water District, ON October 17 1989, TO APPROPRIATE THE WATERS OF underground basin Patterson Valley

PROTEST

Comes now D. Bevan Lister Printed or typed name of protestant

whose post office address is P O Box 402, Pioche, NV 89043 Street No. or P.O. Box, City, State and Zip Code

whose occupation is farmer, and protests the granting of Application Number 54031, filed on October 17, 1989

by Las Vegas Valley Water District Printed or typed name of applicant to appropriate the waters of underground basin Patterson Valley Hydrographic area 202 situated in Lincoln

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The granting of this water application when added to the already approved appropriations and dedicated users in the Patterson Basin will exceed the annual recharge and safe yield of the basin, lower the water table and degrade the quality of water from existing wells, cause negative hydraulic gradient influences, further cause other negative impacts and will adversely affect existing rights. This well is within 1/4 mile of the fence lines of property that I am involved in helping farm. Approval of this application will also cause adverse financial impact on current users.

THEREFORE the protestant requests that the application be denied (Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
