Underground or name of stream, lake, spring or other source
situated in Lincoln

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water when added to the already approved
appropriations and dedicated users in the 202 basin will exceed the
annual recharge and safe yield of the basin. Appropriation and use

dient influences, futher cause other negative impacts and will
adversely affect existing rights adverse to the public interest.
