

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA

IN THE MATTER OF APPLICATION NUMBER 54031  
FILED BY Las Vegas Valley Water District  
ON October 17, 1989, TO APPROPRIATE THE  
WATERS OF Underground

PROTEST

Comes now L. David Love  
whose post office address is P.O. Box 187, Caliente, NV 89008  
whose occupation is Rancher/Farmer, and protests the granting  
of Application Number 54031, filed on October 17, 1989  
by Las Vegas Valley Water District to appropriate the  
waters of Underground situated in Lincoln  
County, State of Nevada, for the following reasons and on the following grounds, to wit:

On February 27, 1984 State Engineer Peter G. Morros denied application  
No. 36698 on the grounds that this appropriation of underground water  
for the irrigation of additional lands would tend to impair the value  
of existing rights and would be detrimental to the public interest and  
welfare within the Panaca Valley Ground Water Basin.

The appropriation of this water when added to the already approved  
appropriation and dedicated users in the 202/203 basins will exceed  
the annual recharge and safe yield of the basins.

THEREFORE the protestant requests that the application be Denied  
(Denied, issued subject to prior rights, etc., as the case may be)  
and that an order be entered for such relief as the State Engineer deems just and proper.
