by Las Vegas Valley Water District
Printed or typed name of applicant

waters of Underground situated in Lincoln
Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

This Application is one of the 105 Applications filed by The Las Vegas Valley Water Dist. Seeking to appropriate 588,000 acre ft. of ground water for municipal use within the service area of the Dist. of Clark Co. Diversion & export of such a quantity of water will lower the static water level in Patterson Valley Basin, will adversely affect the quality of remaining ground water & will further threaten springs, seeds & phreatophytes which provide water & habitat critical to the survival of wildlife, grazing livestock & other surface area existing uses.

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
