to appropriate the waters of Underground

Underground or name of stream, lake, spring or other source

situated in Lincoln

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water when added to the already approved appropriations and dedicated users in the 202 basin will exceed the annual recharge and safe yield of the basin. Appropriation and use of this magnitude will, lower the water table and degrade the quality of water from existing wells, cause negative hydraulic gradient influences, further cause other negative impacts and will adversely affect existing rights adverse to the public interest.

THEREFORE the protestant requests that the application be Denied
