of Application Number 54032, filed on October 17, 1989

by Las Vegas Valley Water District to appropriate the

Printed or typed name of applicant

waters of Underground situated in Lincoln

Underground or name of stream, lake, spring or other source

County, State of Nevada, for the following reasons and on the following grounds, to wit:

As a property owner in Lincoln County I oppose the granting of this application. I believe that if this application and the others applied for by the Las Vegas Valley Water District are granted and the water is pumped and diverted out of the Basin(s) it will have a very damaging effect on the Ecology of the areas concerned. Lets not let the rural counties be dried up like the Owens valley and Mono lake in Calif.

THEREFORE the protestant requests that the application be Denied

(Denied, issued subject to prior rights, etc., as the case may be)

and that an order be entered for such relief as the State Engineer deems just and proper.
