Printed or typed name of applicant to appropriate the

waters of Underground
Underground or name of stream, lake, spring or other source situated in Lincoln

County, State of Nevada, for the following reasons and on the following grounds, to wit:

The appropriation of this water when added to the already approved appropriation
and dedicated uses in the 202 basin, will exceed the annual recharge and safe
yield of the basin. Appropriation and use of this magnitude will lower the
water table and degrade the quality of water from existing wells, cause negative
hydraulic gradient inefficiencies, further their negative impacts will affect
existing rights adverse to the public interest.

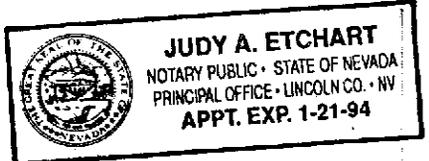

THEREFORE the protestant requests that the application be Denied
(Denied, issued subject to prior rights, etc., as the case may be)
and that an order be entered for such relief as the State Engineer deems just and proper.
